A coat of arms is a design that represents a specific family or person. These designs were displayed on knights' shields in medieval times. The Cheek family's coat of arms comes from their English Heritage and includes four parts:

- 1. Coat:** Shield
- 2. Gules:** The color red, a symbol of military strength
- 3. Crescents:** Three half moons with upward horns, representing the 'second son'
- 4. Argent:** The color silver or white, a symbol of peace and sincerity

Design a coat of arms using colors, shapes, and symbols to show your family's values!
